

# Confidentiality and Non-Disclosure Agreement

The undersigned has been, or will be provided confidential and proprietary information by HydraCoach, Inc. regarding a hydration monitoring system, also known as the "HydraCoach", and agrees to keep all information provided strictly confidential. The undersigned also agrees not to disclose the information to others or to use the proprietary information commercially for any purpose. Information already in the public domain, or which may hereafter become a part of the public domain, or information which is known to the undersigned prior to the time of disclosure is excluded from this agreement.

As a condition of the undersigned being furnished with the proprietary information, the undersigned agrees that he/she/they will not use the information except to evaluate the product or the company. The undersigned also agrees not to disclose any of the information to anyone other than the employees, officers, directors, attorneys and consultants of the undersigned, who are involved in evaluating the product or company. The undersigned agrees to cause all persons to whom disclosure of proprietary information is made to abide by the terms of this agreement.

Violation of the provision hereof respecting the use or disclosure of said information will cause us (HydraCoach, Inc.) irreparable harm. Thus, in addition to any other remedies that we (HydraCoach, Inc.) may have, we will be entitled, without posting bond or other security, to an injunction and other equitable relief to enforce the provisions hereof and to prevent or cure any breach or threatened breach hereof.

If the undersigned decides not to have any further interest in the product or HydraCoach, Inc., the undersigned will return all written information and will not retain any copies of any of the said proprietary information.
